BUFFALO

External Storage

JustStore Desktop

Store, back-up, or easily transport all file types including huge multimedia files too large to fit on a USB key, with the Buffalo JustStore Desktop.

An innovative, fan-less design and power-saving mode make this Buffalo JustStore Desktop a dependable, economical and silent solution. Auto installation, easy operation and auto power on/off, you can quickly store, access, and transfer files, digital images, documents, and back-ups. Just plug it in to a PC or Mac and it works! Available in 500GB, 1.0TB and 2.0TB.

JustStore Desktop
HD-EU2

The JustStore Desktop switches on and off automatically with the connected host device.

Store thousands of music, video, photo and data files in one convenient location!
